## ROMANS 10:13-15

**For "whoever calls on the name of the LORD shall be saved." How then shall they call on Him in whom they have not believed? And how shall they believe in Him of whom they have not heard? And how shall they hear without a preacher? And how shall they preach unless they are sent?**

I have long believed that "the church" is well intentioned and even, in some fellowships, quite zealous about sending missionaries. But I also believe they have established a course to follow, for those who are called "to go", that is counterproductive. This course ultimately cripples the aspiring missionaries and for the most part prevents or detours them from ever reaching the field. This is where we believe that the Lord has called Global Commission and you to make the difference.

**The typical career path of an aspiring missionary leads them to Bible School, College or University.**

4 years - Bachelors Degree \$100,000  
2 years - Masters Degree - \$50,000  
2 Years - Stateside Ministry

# ON THE FIELD

## Making the Gospel Known

Whether they are working with orphans, building projects, teaching and preaching, or evangelism, our interns will be bringing the gospel to every nation, people and tribe.

1.5 Years - 1<sup>st</sup> Itineration

3 Years - First Term - Language learning , Cultural Adaption, Preparation

1.5 Years – 2<sup>nd</sup> Itineration

**Effective missions ministry begins after 14 Years and \$150,000 of Debt (academics alone). If they married a fellow student, the family debt could easily reach \$200,000-250,000.**

Global Commission is providing an alternative starting this year.

**We call our alternative our M.A.P. to the mission field... Mentoring, Academic study, and Practical experience.**

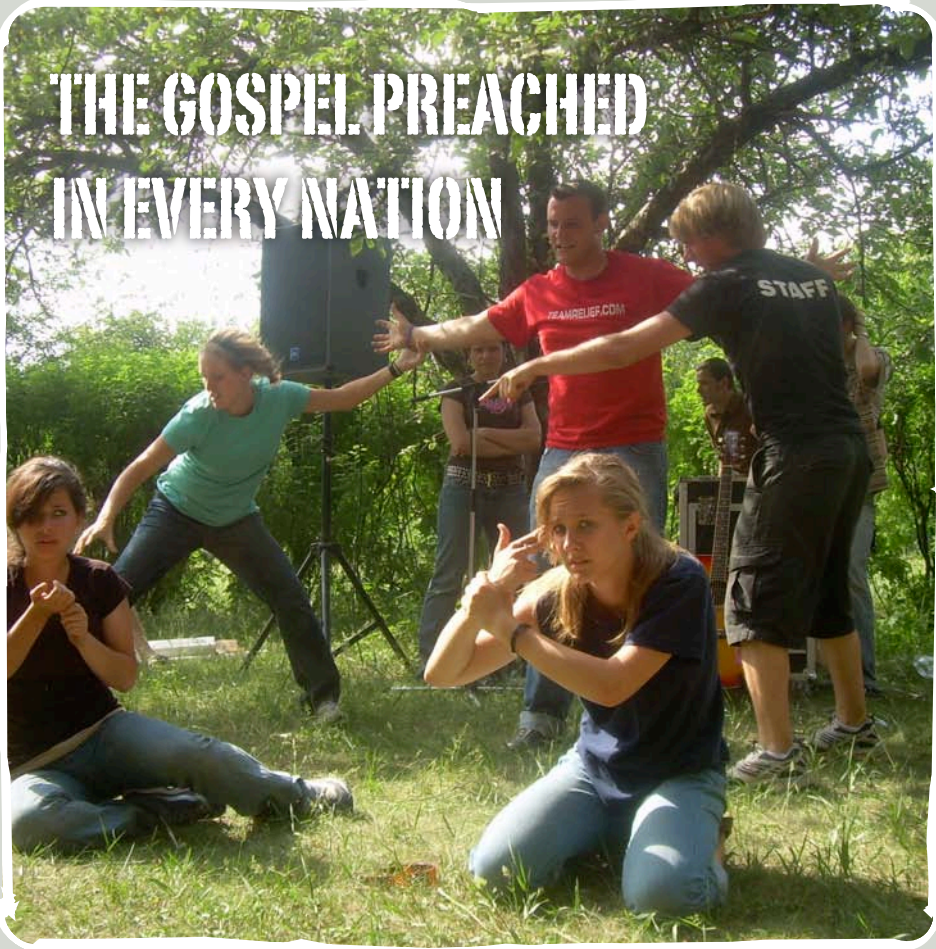

If selected to be a part of our program, the preparation and future of the aspiring missionary would be very different. They would be paired with a missionary with at least one term of missions experience.

They would raise support from their Family, Friends and Home Church. Their family and friends would receive tax-deductible receipts for their support.

They would spend from 2 to 6 years in the mission field being mentored by experienced missionaries, working on their accredited Bachelors and

**THE GOSPEL PREACHED  
IN EVERY NATION**

**Starting in the Former U.S.S.R.**  
Why? Our founder, Lloyd Hanebury, has been working here for 10 years. We plan to expand worldwide to, wherever we have AG Missionaries.

**All in All, Global Commission's M.A.P. is the Future of Missions**

Masters degrees from Global University, language learning and getting practical missionary experience. They would at this time be debt free, qualified to be Ordained and sent out by AGWM.

**Effective missions ministry begins after 2-4 Years and zero debt.**

We truly believe this is the best strategy and method for the preparation and equipping of our missionaries. It represents the next level of stewardship that we are called to, not only in the area of finances, but human resourcing and time management. All in all, Global Commission's M.A.P. is the Future of Missions.

M.A.P	MENTORING	ACADEMICS	PRACTICAL	READY
	The modern day word for Discipling. This is the true Biblical model for the preparation of missionaries.	Today, every minister needs the foundation and the opportunity afforded only by an academic education.	There is no substitute for practical experience. This is the capstone of preparation.	Zero debt + Discipleship + Accredited Degree + 2-4 Years Experience = <b>READY</b>

# WHAT WE NEED FROM YOU

## Your Investment is Desperately Needed

**My Name is Lloyd Hanebury. I am the National Director for Global University in Ukraine. My wife, Natasha, works with a Rehabilitation Center for street children.**

We came to the mission field with very little support as independents. We came on a shoestring with a handful of supporters. This is no longer sustainable. In the last 6 months, our rent has doubled and all costs have exploded. Stewardship also requires that we begin to save for retirement. We need a normal, AGWM-sized budget. **We currently have about \$2,300/month in support. We need to increase that by about \$4,500/month.** Our M.A.P. Internship program has just launched and we can't afford the time to itinerate Stateside during this crucial period. So, here is what we need from you...

### **Pastor, we are asking you for three things...**

- 1. That your church would sponsor Global Commission monthly & start now.**
- 2. Pray about doubling your pledge amount in one year.**
- 3. That you would earnestly pray about personally sponsoring us as well**

Your decision to give or not will have a major impact on us one way or another. Your support means more soul winners will be on the field. That means more souls will be harvested.

**We welcome and desperately need greater commitments but please don't put down this letter without committing to something, no matter how small the amount.**

#### **How To Give...**

**Global Commission is an approved ministry in the Northern California and Nevada District.**

**You can give either by check or ACH (Automatic Clearing House) to have automatic, scheduled donations withdrawn from your account.**

#### **To Pay By Check...**

**Make Checks Payable To:**

*Memo Line: Acct# 2602-261*

#### **To Sign-up for ACH...**

**Fill out the included ACH authorization form.**

To whom it may concern,

I have had the privilege to work with Lloyd and Natasha Hanebury for the past 6 or 7 years. I have observed their ministry and the fruits that have resulted. As an Assemblies of God minister, serving in Ukraine, Lloyd and Natasha are in full fellowship with the Assemblies of God World Missions team in Ukraine. They are a vital part of the AGWM team which involves: strategic planning, fellowship, prayer, regular team meetings as well as accountability and performance exercises.

I am particularly excited about the vision that Lloyd has for combining USA student interns and study programs in a missions/evangelism setting. The potential for this program is tremendous.

I strongly recommend Lloyd and Natasha as a partner in missions to Ukraine.

Sincerely,

Gerald Dollar
